

Bath and Facial Bars – Tripple French Milled Glycerin bars

Superior moisturizers and deodorant protection outperform ordinary soap.

Leave ordinary soaps at the grocery store. Step up to a more luxurious clean with the exclusive Precious Metals Bars.

Long-Lasting Superior Clean

Only Precious Metals combine unparalleled cleansing benefits with Melaleuca Oil and natural skin-softening conditioners to leave skin revitalized, refreshed, and naturally soft.

Moisturizing Lather

The exclusive 3-in-1 moisturizing complex of Melaleuca Oil, glycerin, and aloe promotes soft, younger-looking skin.

Precious Metals: Three Times the Luxury

Most grocery-store soaps contain air bubbles that cost you money when they disappear down the drain. Not Precious Metals. They are *French-milled* to eliminate air bubbles so they last longer—up to three times longer.

[Naturals Exfoliating Body Bar](#)
127 g (Almond Vanilla Scent)

The Naturals Exfoliating Bar uses nature's finest ingredients to help gently remove dry, old skin, allowing newer, softer skin to emerge. The exclusive 3-in-1 Moisturizing Complex of Melaleuca Oil, glycerin and Aloe Vera soften and hydrate the skin, helping it retain moisture, so the softness lasts for hours.

[Melaleuca White Opal Bar™](#)
127 g (Coconut Scent)

Here's nothing like the coconut scented White Opal Bar to get your day off to an amazingly smooth start. Our proprietary 3-in-1 Moisturizing Complex nourishes and pampers skin while gently and effectively washing away dirt and oils.

For Men: [Alloy™ Cleansing Bar](#)
Alloy has a brand new way to kick-start his day.

For Him: The Alloy Bar combines the performance of three powerful skin enhancers (glycerin, aloe vera, and Melaleuca Oil) with the distinctive Alloy scent to leave him looking healthy and smelling fresh all day.
